There will be five Youth Splash Nights, two movie nights, the senior breakfast, a couple of Dollar Dog Days, Family Day in August, a couple of theme days, and free ice cream sandwiches for the first 125 people on National Ice Cream Day. We are working out the staffing for the pool, but we are in need of several lifeguards.
- The 2018 Summer Camp session will run from June 25th through August 3rd and will be held at Walt Disney Elementary School. On-line registration will begin on February 1st.
- The township is working with the YMCA for a spring swim session. It is a 10-week program for $80, which is a special rate for Falls Township residents who are not members of the YMCA. This is a great program to learn how to swim and be safe in the water.

- We will be completing the Fall Photo Contest and the winners will be notified soon.
- This year’s Breakfast with the Bunny will be held on Saturday, March 24th from 9-11 a.m. at the Senior Center. The maximum capacity is 125 and pre-registration is required. Immediately following the breakfast will be the Easter Egg Hunt from 11 a.m. – 12 noon. There is no limit for attending the egg hunt.

- The Delaware Valley Vietnam Veterans (DV3) Flag Memorial will be held June 8-10, 2018 at the Falls Township Community Park.
- This year’s Summer Concert Series begins at the park on June 17th. It is a 13-week event, held every Sunday evening from 6-8 p.m. This runs through September 9th.
- We are considering a children’s kickball league and possibly an adult kickball tournament.
- We would like to have a National Night Out event on Tuesday, August 7th at the Falls Township Community Park. The rain date will be Friday, August 10th. Mr. Andrews will be meeting with Chief Wilcox, Officer Yeager, and Fire Marshal Dippolito.
- We should be receiving the Quaker Penn Open Space Improvement funds very soon. The plans are for a new playground, installation of a compost toilet facility, and cleaning up the riverfront.
- There was a question about having extended weekends at the Pinewood Pool. This has been studied and it is difficult to get adequate coverage as most of the staff go back to college by then.

ITEM #3  DISCUSSION ON FIREWORKS IN THE TOWNSHIP

Chairman Harvie said several years ago, there was a law passed in Pennsylvania that allowed fireworks to be sold, but not used in Pennsylvania. The law has changed to open up new possibilities. Ms. Gallagher gave a brief summary of the new state law. The law had permitted the sale of fireworks in Pennsylvania, but not to Pennsylvania residents. This new law opens up the sale of consumer fireworks to Pennsylvania residents. It does not open up the sale or the use of display fireworks which are the more theatrical fireworks. Consumer fireworks are defined as ground or hand-held sparkling devices, and aerial devices such as sky rockets and missile rockets. These types of items can be sold in the Commonwealth of Pennsylvania to Pennsylvania residents and can be used in the Commonwealth of Pennsylvania. The law would prohibit the use within 150 feet of any occupied structure. That would prevent the use of these devices in the vast majority of neighborhoods.
Violation of this is a summary offense. We are currently in the process of reviewing this as well as the International Fire Codes regarding fireworks. Ms. Gallagher said we can begin enforcing this statute by a summary offense citation should anyone violate this, and we can continue to enforce all of the fire codes that are currently in place.

ITEM # 6 ENGINEERS REPORT

For the community park fishing pier, Mr. Sullivan said the contractor hired a sub-contractor to do the carpentry work and on two occasions, they never showed up. We will have another crew coming in this Monday. All of the pilings are installed. With regard to the Quaker Penn Park boat ramp, four of the pilings are completely gone and the other ones are severely damaged by all of the ice on the river. Manager Gray is looking to file an insurance claim with our insurance company. We are looking at other options to try to prevent this from happening again. The original design had the boat ramp going into the cove, but the Army Corps of Engineers forced us to move it. Manager Gray said we have been in contact with Travelers today and we are working to get the funds to replace this. ITEM #11 BOARD COMMENT

Member Galloway said he felt a heightened sense of community prior to the last Eagles game and hopes they do well. Fly Eagles Fly!

Member Rocco – Good luck Eagles!

Member Dence wished everyone a Happy New Year. Member Dence said with the snow emergency, we get a lot of feedback about the policy of removing cars from the streets. It is an ordinance that gets enforced by the police and gets coordinated with the Public Works Department. It is something that is enforced, as needed, if it snows bad enough and the Public Works personnel can’t get down the road. They do the best they can, but they can’t be everywhere. There are other emergencies that come along and other resources that need to be used. Be careful if it snows. Vehicles will be removed, if necessary.

Chairman Harvie said he wanted to bring up the salary increase for Theresa Katalinas. Member Dence moved to authorize an increase for Theresa Katalinas at the rate of $70 per hour for 2018; Member Galloway seconded the motion; all board members were in favor. (4-0) Member Dence said before we hired Ms. Katalinas, we had no one. Levittown Now does a decent job. The Bucks County Courier Times is how we get our news out there. Ms.
Board of Supervisors – January 16, 2018

Katalinas often writes articles and the Bucks County Courier times prints them word for word. This is a way for people to know what is going on. There was a newspaper article about Verizon not being happy over the privacy ordinance. The only thing they have a legal standing on, in their mind, is when we voted on the ordinance we made a change that they said needed to be advertised. The way around that is to advertise and approve this again. Member Dence moved to authorize advertisement of the cable privacy ordinance change; Member Rocco seconded the motion; all board members were in favor with the exception of Member Galloway who voted no. (3-1)

Member Dence moved to adjourn the meeting; Member Galloway seconded the motion all board members were in favor. (4-0) The meeting was adjourned at 8:22 p.m.

Jeffrey Rocco, Secretary
