Manager Gray said the township has been looking into document imaging services. Mr. Matt Markey has recently met with and has obtained a quote from Docstar Document Management Solutions. Mr. Markey explained what was included with the proposal. At the end of the process, Docstar would charge $4.40 per box for any documents that would need to be destroyed. Member Rocco asked about the $68,150 charge. Mr. Markey said that is the cost for picking up the existing documents and to have those documents scanned and indexed. Member Dence asked about scanning documents going forward. Mr. Markey said they will scan documents as much as possible. Mr. Markey spoke about integrating Docstar with the township interface. It will be a lengthy process, but Mr. Markey hopes to have it completed in the third quarter of this year. Member Galloway asked about the price for secure destruction. Mr. Markey said it is roughly $5 for a 10 x 12 x 15 box. Chairman Harvie asked what would happen if the system crashes. Chairman Harvie asked if they would be able to move to another service if they wanted to.
