

**PART 1.                    BUILDING PERMIT FEES**

***NOTE: PERMIT FEES ARE DOUBLED IF RESPONSIBLE PARTY FAILS TO OBTAIN REQUIRED PERMITS PRIOR TO COMMENCING CONSTRUCTION, BUILDING AND/OR WORK AND IS THEREAFTER REQUIRED TO TAKE OUT PERMITS***

**UCC SURCHARGE**

The Commonwealth of Pennsylvania has mandated a surcharge of \$4.50 for each permit issued under the Uniform Construction Code (UCC).

**Plan Reviews For:                    Residential Work - \$25.00**

**Commercial and Industrial New Construction, Additions and Alterations - \$100.00 for each code review required (Building, Plumbing, Mechanical, Electrical and Fire)**

**Residential, New Construction, Additions and Alterations**

- \$100.00 for the first \$1,000.00 of the estimated cost of the work.
- Thereafter, \$32.00 per thousand up to \$20,000.00.
- \$12.00 per thousand or fraction over \$20,000.00
- Renewals or extensions on permits, fee is \$100.00 per calendar year.

**Residential Decks:**

- Building permit fee shall be based upon the estimated square footage of the project and be charged at a rate of \$0.50 per square foot

**Replacement of existing Pool Enclosure**

- Building permit fee shall be a flat fee of \$100.00.

**Residential Public Sidewalks**

- Building permit fee shall be a flat fee of \$50.00 which includes the UCC surcharge. See Part 11 for engineer's fees.

**Commercial and Industrial – New Construction, Additions and Alterations (Structural, Fire Alarms, Sprinkler Systems)**

- \$110.00 per thousand or fraction thereof of the estimated cost of the work for the first \$50,000.00 of work.
- \$22.00 per \$1,000.00 or fraction thereof for the next \$100,000.00.
- \$11.00 per thousand or fraction past \$150,000.00.

**Reduction in Building Permit fees for installation of Alternative Energy Technology**

- The fee for a building permit for the installation of an alternative energy source (solar, wind, etc.) shall be reduced by 75% for any residential, commercial or industrial project

- The alternative energy reduction shall only apply to that portion of the project that relates to the actual installation of the alternative energy source, not the project as a whole

**Milling, Re-paving and/or Re-striping of Commercial and Industrial Parking Lots**

- An Earth Disturbance Permit shall be required if milling exceeds two (2) inches in depth
