TOWNSHIP OF FALLS
BOARD OF SUPERVISORS MEETING

ROLL CALL:
ROBERT HARVIE, JR., CHAIRMAN  PRESENT
JEFFRY DENCE, VICE-CHAIRMAN  PRESENT
JEFFREY ROCCO, SECRETARY-TREASURER  PRESENT
BRIAN GALLOWAY, SUPERVISOR  PRESENT
JEFF BORASKI, SUPERVISOR  PRESENT

The meeting commenced at 7:05 p.m. with roll call and salute to the flag. All Board members were present. Also present were Township Manager Peter Gray, Township Solicitor Michael Clarke, and Township Engineer James Sullivan. A moment of silence was held in memory of elected official and long-time Falls Township resident Mrs. Dorothy Vislosky.

ITEM # 1  PUBLIC COMMENT – FIVE MINUTE LIMIT PER PERSON FORTY-FIVE MINUTE MAXIMUM

Mr. Roland Kenney said they will be losing one of the workers from Pennsbury Manor. She will be leaving this area. Mr. Kenney said Holly Nights will be held at Pennsbury Manor on December 4th and 5th. These are the most beautiful nights at Pennsbury Manor. Mr. Kenney said Mrs. Vislosky spent most of her life serving the people of Falls Township. He respected her and thinks it would be appropriate to have a plaque or statue placed at Lake Caroline. Mr. Kenney said he can still remember Congressman Fitzpatrick bringing a flag from overseas and presenting it to Mrs. Vislosky.

Mr. Guido Mariani said with the proposed budget presentation, he thinks it would be a good idea to include a final study on the Earned Income Tax (EIT). During the past meeting, this board took no action on the EIT even though the results from Econsult Solutions indicated the number of Falls Township residents paying an EIT increased significantly from 20% to 48%. Mr. Mariani said he wants to see phase 2 because he doesn’t know how you can make a decision without knowing the range of revenue estimated from phase 2. Mr. Mariani said his estimates are $2M at 30%; $2.6M at 40%, $3.3M at 50%, $4M at 60%, $4.6M at 70%, and over $5M at 80%. Mr. Mariani said members of this board don’t support an EIT because they say it would increase taxes for some Falls Township residents. He asks why they would support a candidate for Governor who will increase the Pennsylvania income tax for all wage earners, not just for some. Mr. Mariani said to increase our services you have to look for other sources. Revenue cannot remain stagnant and savings have not increased in four years. Mr. Mariani asked how we can pay for a new township complex without reducing our reserves or paying necessary fees. Mr. Mariani asked when the township will expand its tax base. He asked to please stop subsidizing other municipalities by up to $4M or more. He said that is our money, it belongs in Falls Township, and that is where he wants to see it. Mr. Mariani said he cannot rationalize why the board will not enact an EIT.
Board of Supervisors – November 18, 2014

Mr. Edgar Lituma said the last time he was here, he asked about the $975,000. Mr. Lituma said there are lots of soccer and baseball fields that need to be fixed. Last October, the contractor was going to come and fix the soccer fields, but they were never fixed. Mr. Lituma said that since soccer season is now over, he hopes they will come back and fix the fields. Chairman Harvie said one of the things they are looking at is using the open space money for each of the four sports organizations to do different work on the fields and different work on the complexes. Chairman Harvie said they haven’t yet approved the budget. If it is approved in its current state, that is one of the things they plan to use the money on. Member Dence said the contractor did come back in October of last year. Mr. Sullivan said he believes the contractor is still in their maintenance bond, but they did come and fix the fields. Mr. Lituma said the issue with geese and seagulls has gotten significantly worse.

Mrs. Gloria Lituma asked about the EIT and where it stands. Chairman Harvie said the board does not plan to take any action on the EIT. Mrs. Lituma said she, and many other residents, work in New Jersey and appreciate the board keeping it the way it is now. Mrs. Lituma said she watches the meetings on the television and the times listed do not match up with the video of the meetings. She asked if they could please update the schedule.

ITEM # 10  BOARD COMMENT

Member Rocco sends thoughts and prayers to the family of Mrs. Vislosky. He wished everyone a Happy Thanksgiving. Member Rocco said the budget was well done. In regard to the EIT, it was his intention to find out who was already paying it. It came in at 48%, which wasn’t enough for him. He doesn’t want to have another conversation on it for a while. Member Rocco said he and Member Dence were at the Mercer Court townhouse opening next door and said they are quite nice.

Member Galloway expressed condolences to the family of Mrs. Vislosky. He hopes everyone will enjoy their Thanksgiving holiday.

Member Dence echoed comments for sympathy to Mrs. Vislosky’s family. Member Dence wishes everyone a Happy Thanksgiving.

Member Boraski said he is glad they spoke about the EIT. The numbers just don’t support this and it is a tax increase for the rest of the people. He has also heard a lot of negativity towards it.
Chairman Harvie said for the EIT, it was not enough of an increase for the board to move forward with it, so this is a dead issue. Chairman Harvie wished everyone a Happy Thanksgiving and hopes people will spend time with their families. Chairman Harvie thanked the township staff for all the work they do and the time spent on the budget.
